A QUICK AND SAFE REMEDY FOR BOWEL COMPLAINTS.

Twenty years ago Mr. Geo. W. Brock discovered that Chamberlain's Colic, Cholera and Diarrhoea Remedy was a quick and safe cure for bowel complaints. "During all of these years," he says, "I have used it and recommended it many times and the results have never yet disappointed me." Mr. Brock is publisher of the Aberdeen, Maryland, U. S. A., Enterprise. For sale by all dealers, Benson, Smith & Company, agents for Hawaii.

SPORTS

ENGLISH FIGHTER LOOKING FOR VICTIMS

JACK PALMER.
CHAMPION OF ENGLAND.

Jack Palmer, England's champion light-heavyweight fighter, is in America and wants battle with any of his class. Jeffries preferred. His 5 feet 10 1/2 inches and 170 pounds of muscle do not look very formidable when compared with the giant bulk of America's retired champion, but he says he means business and will cheerfully

take on Philadelphia Jack O'Brien first and go after Jeffries or Australian Bill Squires after he has polished off the Quakers' pride. Sam Fitzpatrick, who managed Kid Lavigne, will probably undertake to get Palmer a few American engagements. Palmer's name in private life is John Liddell and he lives at Newcastle-on-Tyne.

YACHTMEN ARE PLANNING TO RACE

CONTEST FOR THE W. G. IRWIN CUP IS SOON TO BE HELD—NEXT TRANS-PACIFIC RACE.

The race for first-class yachts that was spoken of some time ago for the Irwin trophy will be sailed probably next year. Mr. Irwin has signified his intention of presenting the club with a cup, but it is understood that it has not yet arrived as yet from San Francisco where it was ordered.

The yachting season this year has been the most successful that has ever been held in Honolulu, and the prospects are very good for a better one this coming year. With the many races for the cups that have been offered, and the ones that will be offered in the future yachtsmen have something to strive for.

The race next year for the trans-Pacific cup will be the most natural one for enthusiasm, as a large number of owners on the Coast have signified their intention to enter the race, and with the new yacht that will be built to represent Hawaii the yachtsmen will have something to talk about. The new Hawaii yacht will be the one that will be watched most keenly in this race, as Crowninshield has endeavored to make her not only fast but seaworthy. She will be sailed no doubt by an entirely amateur crew, as in the islands are any number of good sailors in the amateur class. The plans for the new yacht will arrive on the Manchuria, and work will be started on her as soon as the plans arrive.

CRACK PLAYER ON LINKS COMING

McLAREN OF MELBOURNE CABLES THAT HE WILL COME NEXT MONTH.

A cable was received this morning by D. W. Anderson secretary of the County Club from McLaren of the professional player of the Melbourne Golf Club stating that the offer made to him by the club here was accepted and that he would arrive here on the Aorangi due November 13. McLaren is considered to be one of the best professional golf players in the world today, and his coming here will do a good deal to help golf along.

SPORT NOTES

The first bowling match between the Custom House and the Oahu College teams will be rolled tonight, and if the College boys roll tonight as they did in practice yesterday, they will make the "duty officers" sit up and take notice.

The third shoot for the new challenge cup offered by the Hawaiian Gun Club will be held tomorrow afternoon at the traps at Kakaako. The first two legs on the cup have been won by Harvey and Whitney respectively. The members are very enthusiastic about the shoots and a large number will probably be out tomorrow.

The Pedro tournament that will be played on Saturday night of this week in the rooms of the St. Louis Alumni in Dreier Hall, will bring out no doubt a large number of players. Pedro is very popular at the Alumni Club and some of the best players in town will no doubt enter on Saturday night. Three prizes will be given for the play, and from word that has been given by one of the members of the Alumni, they will be well worth playing for. The tournament will start at 7:30 sharp. Anyone wishing to enter can

do so by seeing the assistant secretary at the clubhouse.

The race for second class yachts for the Commodore's Cup will probably be held on Sunday, although the Committee have not decided positively as yet. The owners of the little yachts are very anxious to get out and have another race, and the chances are very good for the race being sailed on that day. The Defiance, owned by George Schaefer, is the favorite for the race.

The match play foursome tournament that will be played next Sunday on the links of the Country Club is causing a good deal of interest among the players of the club, and a large entry list will no doubt be the order of the day. This is the first foursome tournament that has been attempted since the club was organized, and it should prove very interesting, as the one played at Moanalua on Sunday brought out the best players in the town. The entry list will close at the Club on Sunday morning.

C. V. Ayau, the crack shortstop of the Chinese Alohas, has been presented with a gold medal by the members of the Chinese Aloha Club, for the good work he has done in batting the past season. Albert Akana also received a silver medal from his club mates for his good batting work on the Aloha team this year. These two boys may be seen next year with one of the big league teams and all the members of their club wish them the best of luck.

The following matches were played yesterday afternoon in the Y. M. C. A. tennis tournament: Theo. Nickelsen, No. 64, beat W. C. Ahfook, No. 42, 6-1, 6-3; C. H. Atherton, No. 38, won from

MANILA HAS SPREAD OF CHOLERA

ELEVEN CASES FOUND IN CITY IN ONE DAY, FEAR WILL GET TO PROVINCES.

MANILA, Oct. 3.—Cholera is apparently spreading in Manila. There were eleven cases of the disease yesterday scattered over the city. In some parts it is repeating itself. Three cases have appeared in the house in Calle Santa Mesa. Most of yesterday's cases were in Santa Mesa.

Owing to the great influx of people to Manila it is feared by the health authorities that should the disease strike any of the visitors they will at once make for their provincial homes as rats make for their holes with the result that they will spread the disease all over the provinces. On this account special watch will be kept and people trying to make their escape under such conditions will be strictly dealt with.

The man who invented Saratoga chips is dead. The other kind of chips however, have always been more popular in Saratoga.—Rochester Post-Express.

John Guild, No. 37, by default.

The matches today are as follows: Richard Cooke, No. 36, vs. E. W. Thwing, No. 35.

The following will be played tomorrow: F. C. Atherton, No. 34, vs. V. O. Banks, No. 33; T. Nickelsen, No. 54, vs. C. H. Atherton, No. 38.

PLEDGE COST HIM HIS LIFE

ONE-TIME HABITUAL DRUNKARD KEEPS A PROMISE TO REFRAIN FROM DRINKING WHISKEY.

CHICAGO, October 5.—John Gertz, habitual drunkard, but under parole to Judge McKenzie Cleland, on a promise not to touch liquor again, failed to answer the roll call in Cleland's court last night. Instead, Parole Officer J. Smijkal handed to the judge a type-written report of Gertz' battle to keep his pledge—a promise that it cost him life to keep.

Gertz' record in the court showed three arrests for drunkenness when on April 30 he gave the judge his word, for the last time, never to touch another drop.

He went home to keep it. In August he became ill and for an entire month raved on his bed, conscious of but two things—that he wanted whiskey and that he had promised not to touch it. Finally his agony became so intense that his wife brought in some whiskey. He raised himself in bed, but just as he put it to his lips he remembered his pledge and dashed the glass across the room.

Then he lapsed into semi-delirium and Mrs. Gertz offered more whiskey, but again he threw the glass across the room. The last act of his life, according to the report, was to cast a glass of liquor from him just as he was seized by the final stroke of heart disease.

HABEAS CORPUS WRIT REFUSED

CHING TAI REMANDED TO JAIL TO SERVE A SIX MONTHS SENTENCE.

The writ of habeas corpus obtained by Attorney W. W. Thayer in behalf of Ching Tai, one of the "67 others" convicted with Ah Sing of gambling, was argued yesterday afternoon before Judge De Bolt and was not sustained. Ching was remanded to the custody of High Sheriff Henry, and taken back to the Oahu prison to serve out his six months sentence.

Thayer argued that the writ should be sustained because the Supreme Court after having had the matter under consideration and disposing of it, had entered no order in reference to the defendant, who was out on bail pending the decision of the appeal. When the Supreme Court refused to reverse the action of the lower court in sentencing the gamblers, the High Sheriff had managed to capture Ching Tai after several weeks' dodging, and lock him up to serve out his sentence under the original mittimus. This Thayer contended was irregular, and that another process should have issued.

F. M. Prosser, representing the High Sheriff, held that just as soon as the Supreme Court had washed its hands of the case, the decision of the lower court became immediately operative and that it was up to the Sheriff to get his man behind the bars again just as had been done. Judge De Bolt sustained this view of the matter.
